

Testimonials from participants of the 2024 Feltre Staged Italian Opera Scenes Course

1.

I found the Vox Integra programme inspiring, supportive and uplifting and would love to return next year; the dates are in my diary!

What made it so special for me, was that we all had a chance to shine, as a result of your careful choice of repertoire and the intensive and joined up musical coaching and theatrical direction we received. Without reservation, it was the best performance experience I have ever had and has given me tools to take forward to enable me to access brain, body and breath, which had not been integrated before, especially at performances, resulting in a disappointing experience every time.

It was an incredible week and I learned loads - thank you so much for everything you and the team put in to it.

You really pinpoint what different singers seem to need. I'd love to get to the highest level I can, my time in Feltre has really reinforced how important this is to me.

Vox Team. Thank you so much.

It had a massive impact and I'm so grateful to have learned that much from everything.

It just opened a lot of new perspectives towards singing in many ways.
